The Honorable Brian Schatz

and Urban Development
Washington, DC 20510

The Honorable Susan Collins
Ranking Member
Senate Committee on Appropriations
Subcommittee on Transportation, Housing
and Urban Development
Washington, DC 20510

Dear Chairman Schatz and Ranking Member Collins:

The purpose of this letter is to request technical corrections to Fiscal Year 2022 Congressionally Directed Spending projects in the Transportation, Housing and Urban Development, and Related Agencies bill, listed below. I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate. The reason for this necessary correction is work included in FY22 Joint Explanatory Statement (JES) Project Terminology was completed in advance of the statutory prohibition against pre-award costs.

Account funded in: HUD Community Development Fund

Project Name in the FY22 JES: Greensboro Judy Center Early Learning Hub Facility

Recipient Name in the FY22 JES: Caroline County Public Schools

Project Purpose as originally requested in Legimate: Funds will be used to complete the development of the Greensboro Judy Center Early Learning Hub on the Greensboro Elementary School campus in order to provide full-day/full-year quality child care and services for parents in the community.

Request for technical change: Work included in FY22 JES Project Terminology was completed in advance of the statutory prohibition against pre-award costs. I request a technical modification to the project name from "Greensboro Judy Center Early Learning Hub Facility" to "Building Maintenance for Greensboro Judy Center Early Learning Hub Facility."

Sincerely,

Chris Van Hollen
United States Senator
