

CHRIS VAN HOLLEN

U.S. SENATOR  FOR MARYLAND

Elected to the United States Senate by the people of Maryland in November 2016, Chris Van Hollen is committed to fighting every day to ensure that our state and our country live up to their full promise of equal rights, equal justice, and equal opportunity.

Senator Van Hollen believes that every child deserves the opportunity to pursue their dreams and benefit from a quality education, and that anyone willing to work hard should be able to find a good job. That's why his top priorities include creating more and better jobs, strengthening small businesses, and increasing educational and job training opportunities for individuals of all ages and in every community.

Senator Van Hollen started his time in public service as a member of the Maryland State Legislature, where he became known as a tenacious advocate for everyday Marylanders and someone who was unafraid to take on powerful special interests on behalf of working people. In 2002, he was elected to represent Maryland's 8th Congressional District. In the House of Representatives, he served as a member of the Democratic leadership and was elected by his colleagues to be the Ranking Member of the House Budget Committee and protect vital interests like Social Security and Medicare.

A tireless fighter for the people of Maryland, Senator Van Hollen has also become known for working hard to find common sense solutions to difficult national issues. In January 2015, he released a comprehensive plan to address the problem of growing inequality in America and provide a blueprint for building an economy that works for everyone, a goal that he will continue to fight for in the U.S. Senate.

Senator Van Hollen is proud to have worked successfully with members of both parties to pass bipartisan legislation whenever possible on issues of common concern, including expanding medical research, protecting the Chesapeake Bay, fighting childhood cancer, and passing the ABLE Act to assist families with children with disabilities.

Chris Van Hollen is a graduate of Swarthmore College, the John F. Kennedy School of Public Policy at Harvard University, and Georgetown University Law Center where he attended night school. He and his wife, Katherine Wilkens, are the proud parents of three children—Anna, Nicholas, and Alexander.
