RE: *Chesapeake National Recreation Area*

Dear Senator Van Hollen and Representative Sarbanes:

On behalf of Latino Outdoors, I am writing to thank you for your leadership to create the Chesapeake National Recreation Area (CNRA), a new unit of the National Park System in the Chesapeake watershed. Latino Outdoors looks to inspire, connect, and engage Latino communities in the outdoors by embracing cultura y familia. The CNRA offers the continued protection of our public lands, increasing opportunities for outdoor learning, leadership, stewardship; in addition to, relationship building with diverse comunidades across the nation.

We strongly support the establishment of this new national recreation area, and we look forward to working with you to ensure that the Chesapeake is recognized for its natural and historic significance by inclusion in the National Park System.

Those of us who live and work in this region know that the Chesapeake Bay watershed is a natural wonder fully deserving of national park status. We strongly support the goals of the new recreation area to recognize the Chesapeake's national significance, conserve and interpret these resources, expand public access, enhance tourism and local economies, engage watershed communities, promote diversity and equity, improve water quality, and advance the conservation goals of the Chesapeake Bay Program and the Chesapeake Bay Gateways Network.

We endorse the acquisition of land and land-based resources via willing donation, purchase from a willing seller, and/or exchange or transfer from another Federal Agency. And we support the requirements that nothing in the Act would impact or affect commercial or recreational fishing or enlarge or diminish jurisdiction of each State, with respect to fish and wildlife management.

Establishing the CNRA will allow all stories of the watershed, its citizens, and its history to be shared with visitors from across the world. The creation of the CNRA will enhance public understanding of the Bay at participating National Park Service sites and partner sites to tell the story of the outstanding, remarkable, and nationally significant resources of the Bay watershed.

Thank you once again for leading this important initiative. We look forward to working with you on bill introduction and final passage to establish this new national recreation area in the Chesapeake.

Sincerely,

A handwritten signature in black ink, appearing to read "Jazzari T. Taylor".
